Weltek\* is present on the 2015 Preventica exhibition in Lyon.

## 2015 PREVENTICA exhibition in Lyon !

Weltek\* is present on the 2015 Preventica exhibition in Lyon.

Through its privileged local partners, Weltek\* is presenting its full range of autodarkening helmets and powered-air helmets.

General information :

Since 1997, the Preventica exhibitions are set up in different areas in France, twice per year. These Safety exhibitions have become the national reference for all key players involved with general and personal protective equipments.

380 stands and over 120 conferences intend to bring information, training and expertise to all visitors.

From October 13th to 15th, 2015  
In Lyon, FRANCE.
