Presenting Weltek* products on EXPOMANTENER in BOGOTA !

Thanks to its recent local partnership, Weltek* presents its welding and powered-air helmets in colombian market in BOGOTA (COLOMBIA).

Created by Cundinamarca Colombian engineers Association (ACIEM), Mantener Exhibition is specialized in industrial maintenance, integrating a platform providers of services, products and manufacturers of equipments for the maintenance, the production and the support of companies.
From 18 till 20 May 2016
To Bogotá (Colombia)

Weltek®
