

Les Atouts

Weltek will be present on the international fair Schweissen and Schneiden in Düsseldorf next September, from 25th to 29th.

International fair Schweissen and Schneiden

Weltek will be present on the international fair Schweissen and Schneiden in Düsseldorf next September, from 25th to 29th.

During this essential meeting of the welding manufacturers, Weltek will present several novelties in the field of automatic darkening filters, new welding helmets, safety helmets for welders and Powered Air Purifying Respirators.

Comme discover these innovations on our stand 12 G31.
